Grammar Tips

①　_ TAI DESU　(want to _)

◈ Replacing MASU of MASU-form verbs with TAI, you can express what you want to do.
If you add DESU after TAI, the sentence will be polite.

e.g.)　SHASHIN O TORIMASU.　(I take pictures.)
⇒ SHASHIN O TORITAI DESU.　(I want to take pictures.)

②　TA-form verb ＋ RA　(If _)

◈ The TA-form and RA, TARA together, indicates a condition.

◈ We can also use TO, instead of TARA, under a certain condition where something always occurs. ☞ *See lesson 29*

e.g.)　OSHITARA, TSUKIMASU.　(If you press the switch, you turn on the light.)
OSUTO, TSUKIMASU.　(If you press the switch, you turn on the light.)
