A black and white illustration of a person with dark hair, wearing a light-colored long-sleeved shirt and dark pants, bowing deeply forward. A single tear is visible falling from their eye. The person is standing on a light-colored, cloud-like shadow. To the left, there is a speech bubble containing a single character, likely 'え' (e), which is part of the word 'ええ' (ee) meaning 'yes' or 'okay' in a soft, affirmative tone.
